*Scott Yates*

GENERAL  
MANAGER

2024-25 Season has begun. Welcome back to our seasonal friends and golfing buddies. Let's play! November is the month to reflect and give thanks to all that we enjoy year-round. Thank you to our golfing leaders who help run our many leagues and golf groups. Thank you to the Oak Village Sports team led by Judy Jeanette and her merry band of landscapers and tennis court devotees. Thank you to the cocktail cuties, legends dinner gang, singles dinner group, Tom Hoehn lunch & meet and the many luncheon groups. What would a club be like without the Bunco ladies, Fireball babes and our enthusiastic Game Night Gamers? You are all so appreciated.

And of course, our Staff leaders led by Robin Frick, Wendy Deans, Anna Carrion, Chef Remco, Joyce, Mike & Mat on the courses and John Ward at Citrus and Eric Radcliffe at Sugar. THANK YOU!

**What's new?** Course conditions are finally moving in the right direction. No more going backward. How about those new chairs at Citrus? Leave your pillow at home as we have finally lost those hard as rock chairs. And all the tables match at Sugarmill Woods. Gone are those old brown wooden tabletops and brown chairs of the past.

The biggest news of this newsletter is that the club is upgrading to a new point of sale system starting December 1st. Out is the old software and its many glitches. In is what the top clubs are offering in 2025. Foreup software goes live December 1st and we couldn't be more excited. One of the early features that Members will appreciate is the ability to review and pay Member statements online. That's right, if you'd like to see your tab in real time, jump on the internet and review any time or day throughout the month. Servers will enjoy taking orders with iPads and having orders go directly to the kitchen. Foreup even supports an upgraded tournament management system. Look for the unveiling of several new features in the next few months.

This month's highlight is, of course, our Thanksgiving Day Brunch Feast at Sugarmill Woods CC. Complete with carving station, all your traditional favorites and as always, save room for dessert.

Let's make this 2024-25 Season the best ever!

# GOLF SHOP

The 2024-25 Sugarmill Golf Staff is here for you. Gentleman, Bill Wagner leads the team and mostly controls that tee sheet. He has been tasked with opening each day and providing that hearty cup of coffee each morning too. For golf expertise including weekly events, clinics and rules of golf questions, Eric Radcliffe is our man. Eric is on the fast track to learn all of our procedures and nuances associated with the golf operation. Eric also loves to play so look to see him on the links soon and often. And Tim Hume has returned for season two. Tim's role has moved into more of a support person focused on teaching and advising staff on daily golf operations. You may see Tim at the range a little more often as he has signed up for the PGA Winter Series golf events. He won a few times last summer in New York and he's ready to take on the big boys of Florida this winter. Book your next lesson with Tim and watch your scores plummet.

Citrus National golf shop is run by John Ward and his team has a few new players. Rob Hill, former maintenance crew member will be checking in golfers and helping with events. Tracy Post will be joining Marcia Wagner with clerk duties and opening the Citrus shop each day. And if you play afternoons, you've surely seen Tom Boggs and Rachel running the shop a few times. Look for more ranger activity this year as we plan to tag team this effort with golf staff on a daily basis.

As we start the new season, here are a couple of reminders. Hole in One Club is available to all Members and only \$2 to join. Each course has its own pot. Whenever a hole in one club member makes a hole in one, they win the pot. After the bar tab is run, the remaining balance goes into that person's credit book. Then all HIO club members are charged \$2 to refill the pot and get ready for the next hole in one. Lists are posted in each Golf Shop.

Members may book tee times 30 days in advance. We also ask that all golfers check in with golf staff prior to each round. Letting us know that you have arrived surely helps reduce club billing errors.

Tournament credits do expire at the end of each year so let's get some holiday shopping done early this year. You won! So, stop by the shop and pick out your prize.

Friendly reminder: Members receive a 20% discount on all regularly priced merchandise.

Can we be a club that prides itself on the proper pace of play? There is no need to rush, proper pace of play is more about efficiency and recognizing when falling behind the group in front. Be ready to hit when it is your turn. Putt out often. No need to mark that two-foot putt, just tap it in. Long breaks at the turn also back the course up. Play Fast, Have Fun can be our Mantra.

## **Green Side Up!**

The push for great course conditions continues at both courses. Mat & Andy continue to address upgrades in irrigation and weed control. Pushing the Bermuda grass to grow in the winter is slow but does happen. Thank you in advance for following posted cart rules and using cart paths as much as practical. Both courses have settled into routines with weekly weed control applications and adding nutrients through fertilizer programs. Tree work and training of staffs also continues.

Have you noticed the steady progress with the back nine Sugarmill greens? We now mow each nine at a different height of cut and with a different mower. The goal is to get the green speeds matching on each side. The back nine Zoysia grass tends to be a little slower so that height of cut will be lower.

To overseed or not to overseed is always a hot topic. We will not be overseeding any greens this year. Look for smooth and fast greens this winter. Color is over-rated. Smooth rolling greens is the goal and each crew is ready to make that happen. Rye grass overseeding will be mainly on tees, weak fairways and the range for 2025 season.

Shhh, each course has applied pre-emerge herbicide. That means less weeds next spring as we come out of winter. Save this newsletter and let's assess our weed control in May of 2025.

## Food Lovers!

I am excited for the cooler days ahead! As the temperatures drop, it's the perfect time to cozy up with some delicious food.

Thank you to all who joined us for last month's Chef Remco experience. This is a fun night for the whole team, and we appreciate your support. Our next "Experience" will be on November 19th and will start with Bang Bank Shrimp Egg Roll, served with Sriracha Aioli. Our entrée will be a Bacon Wrapped Pork Tenderloin, stuffed with Whiskey-Soaked Apples, Raisins & Walnuts, wrapped in Bacon with a demi glaze. To end your feast, dessert will be a red wine poached pear served warm with vanilla ice cream.

I am excited for the Holiday Season, we have another Chef Experience, Dinner Dance Dinner, Veterans Brunch Buffet, Thanksgiving Brunch Buffet, Christmas Dinner, and New Year's Eve Party coming up. Make sure to make reservations for the events you want to attend, it will go fast!

### Our Kitchen Staff:

As we move into peak season, I'd like to reintroduce our kitchen staff. This is a great team who work together very well and practice their craft every day. This team enjoys making your day a little bit better with consistency and professionalism. Many people may think that a cook cooks but much more than that goes into a successful kitchen operation. Our staff are all Safe Serve certified by the State of Florida. That is not an easy test to pass and knowing how to purchase, store, handle, cook and serve food is quite an art. Maintaining a clean kitchen also goes a long way to keep our Members and their guests safe.

# OAK VILLAGE SPORTS COMPLEX NEWS

## LOTS of Exciting Things are Happening at Oak Village Sports Complex...

### **Pickleball Third Shot - Drop or Drive**

You just served the pickleball to your opponent and they returned the ball in play. This is now the 3rd shot and, for the serving team, it is the most important shot of the rally. If you make a good third shot, it will cancel the positional advantage of the receiving team. So, you know you need to make a good third shot but you have a choice. Do you hit a third shot drop or a third shot drive?

We know the serving team is at a disadvantage before they take the third shot because the other team is probably already at the kitchen. The serving team has to sit back and wait for the return to bounce before the third shot can be made. So, when do we use a drop and when do we use a drive?

**Choosing between a drop or drive.** Is a third shot drop or a third shot drive a better shot? You can't say outright because there are several scenarios that you could consider before making your shot choice. Some factors that should influence your choice include:

- 1) How are your opponents positioned on the court?
- 2) What type of return did they make on your serve?
- 3) What are the abilities of your opponents?

### **When to Choose Third Shot Drive**

#### **The return of your serve is short and bounces high.**

If your opponent mis-hits your serve and returns it short, especially if you get a bounce above the knee, this is a great opportunity to drive the ball. Not only does it allow you to build momentum as you move to the ball, you can continue that movement to quickly get to the kitchen. Also, if you drive the ball on a short return, there is less time for your opponent to react, increasing his opportunity to make an error while hitting the ball.

**The opposing team is out of position.** If you've made your serve and it either pulled your opponent off to the side or they returned it and stayed back, you have a great opportunity to drive the ball. In this case, if you

hit a third shot drop, the slowness of the drop will allow them to recover. If you've pulled them out to the side, a drive to the area that was left open is a good choice. And, if they returned your serve and stayed back, a drive to their feet will keep them from moving forward and allow you to get up to the kitchen.

**Your opponents are weak at the net.** If you suspect your opponents have weak blocking skills or weak or inaccurate volleys, a drive is also a good choice. If you get a drivable ball, take the drive and force your opponents to play to their weaknesses.

### **When to Choose Third Shot Drop.**

**Your opponent returns your serve deep into your court.** Drives work because of speed on the ball and the little time your opponent has to react to your shot. If you hit your drive from the baseline, the ball will be much slower when it reaches your opponent and they will have plenty of time to get ready. In this case, a slow, well placed drop will help you and your partner get to the kitchen.

**Your opponents have a strong net game.** Players that are very good at volleying even fast drives and are very proficient at blocking will be hard to force into errors by driving the ball at them. If their net game is strong, they can cause problems for you and your partner by returning hard, low drives back to you. In this case, limit their ability to attack by dropping a ball into the kitchen allowing you and your partner to move up.

### **The return of your serve is short but bounces low.**

Just because the return is short doesn't mean you'll be able to drive it. If the bounce is below the knee because of spin or because you can't get to the ball in time, you'll have to hit up on the ball to clear the net. If you hit it up and hard, it's likely to go off the back of the court. If you hit it up and soft, you'll likely get an overhead drive hit back at you. Instead, an unattackable drop into the kitchen allows you to wait for a better opportunity to setup an attack.

# OAK VILLAGE SPORTS COMPLEX NEWS *continued*

As you can see, there are situations when a drive is advantageous and there are times when a drop is better suited. Use the situations discussed above to help you decide which to hit. In any case, don't become predictable. While these situations should help you decide, they aren't cast in stone rules. Be flexible and have fun.

So, in conclusion, be smart and warm up! See you on the Pickleball Courts. Come to lessons on Friday mornings at 10:30 and then join one of our friendly Sugarmill Woods Pickleball groups:

## **Pickleball Stroke of the Week Clinic**

This is a weekly pickleball clinic that meets every Friday from 10:30 to 11:30AM at the Oak Village Sports Complex on Pickleball courts #1 and #2. Beginners to intermediate level players attend to work on skills and tactics that help improve their playing abilities.

If you are interested in improving your forehand, backhand, dink, 3rd shot drop, volley, overhead, spins, control, power, strategies, team work and movement, rules, scoring, equipment....we cover it all.

Every lesson finishes with supervised game play. The fee to attend each week is \$15.00 per player. Reservations are not necessary. For more information you may contact Judy at 352-232-0321. Judy is a double certified, RSPA and IPTPA pickleball professional.

**Courts #1 - #6 are automatically reserved for the following groups at their designated times. Courts #7 and #8 are always available for member's private play. If courts #7 - #8 are not reserved then morning group overflow play may use the open courts.**

## **Pickleball Day Dinkers Late Mornings**

The Day Dinkers are a fun group for people that don't want to set their alarm clock to play pickleball. They try to work on specific skills during games and keep you from feeling overwhelmed and they welcome beginners.

The Day Dinkers meet on Fridays at 11:30AM, immediately after Judy's lesson and again on Wednesday and Sunday at 10:00AM. Call or text Steve Klabough at 352-679-5798 for more information.

## **Pickleball FAMILY FUN Mornings**

This is a low key "play for fun group", welcomes newbies and non-bangers to join their FAMILY. The

FAMILY is made up of members that feel like...well...."FAMILY".

The Family Fun group meets every Monday, Wednesday and Friday early mornings from 7:00- 9:00AM. Contact Darlene Jaratz at 813-943-7376 if you would like more information about FAMILY FUN Pickleball.

## **Pickleball Social Mornings**

A social competitive group meets every Tuesday, Thursday and Saturday starting at 8:30AM.

Usually the group play ends on Tuesday and Thursdays around 11:00AM. Some of them will play until noon on Saturdays.

Grab your paddle and show up at the pickleball courts to join the group. They will welcome you into the mix.

## **Oak Village Tennis Programs**

Contact Judy for further information and registration to any of the following programs, 352-232-0321. Judy is certified as an ELITE tennis professional by the formally named USPTA, now rebranded RSPA.

## **Monday Doubles Strategy for Teams Ladies and Men**

This group meets every Monday morning from 9 to 11:00AM. Drawing tips from the greats of the Bryan brothers, Martina Navratilova and Gigi Fernandez to name a few...you will work on doubles strategy and hints for better execution of shots. You do not have to have a partner attend with you....but if you did....you would benefit greatly as a team.

We practice different play scenarios and situations. You will learn WHO should be taking the shot and WHAT YOU should be doing; Learn the percentage shots and why you should abide by them. Doubles is a game of chess with many moves to learn. Attend this class and you will improve. The fee is \$20.00 per visit.

## **Friday Doubles Strategy for Teams Ladies and Men**

Ditto all the above from Monday Doubles Strategy for Teams. This group meets every Friday morning from 8:30 to 10:30AM. The fee is \$20.00 per visit.

## **Super Drill**

This energized group meets every Monday and Wednesday night from 6:00 to 8:00PM. Everyone warms up with the usual forehand, backhand...and then really start moving with game based drills. Players should be able to keep a ball in play...3.0 level players

and up. Age is not a factor. Skill determines if you may attend this workout. Contact Judy if you have questions. The fee is \$15.00 per visit.

**Tuesday After School Yellow Pea Kids and ADULTS**

This after school group meets every Tuesday evening from 6:00 to 7:30PM. The age of the student does not matter. It is the skill level that needs to be 2.0 to 3.5. We will be concentrating on improvement of tennis skills, strategies, mental toughness and all parts of competitive preparations. Adults are welcome to attend. The fee is \$25.00 per visit.

**Wednesday After School MINI Pea Kids**

Mini Pea Kids are our youngest tennis players. Depending on their attention level they could be 4 years old up to 9 ish. They will learn basic skills, movement, tennis scoring, rules and etiquette. The fee is \$15.00 per visit.

**Racquet or Pickleball Paddle Repair?**

# MGA MEN'S GOLF ASSOCIATION

*Frank Nolan*

PRESIDENT, CITRUS NATIONAL MEN'S GOLF ASSOCIATION

## Hello Again Everyone!

As of this writing, it has been a few days since hurricane Milton passed. We were lucky (most of us).

First Helene stays a bit west of us and then Milton hits south of us. All in all it looks like we suffered minimal damage, again for most of us. Now for the golf course...Talk about lucky...a few trees down and lots of debris but the course was up and running the next day. Big shout-out to the Crew for their efforts in the clean-up. Nice job guys.(gals)...

I've been away for a couple of weeks and when I returned, the course seemed to take a step backwards. But with the weeds dying and the greens beginning their winter/fall transition, we just have to wait for the overseeding for the greens to bounce back a bit...Hang in there. I have faith in this crew.

As for winners this month: The CNMGA series was won by a couple of 'old timers' Rich Perry and Ken Moody. The cash game was won by Al Smith and Kyle Muzina. Big news this past month is that Bob Lawson did NOT win a CTPP...!

Hang in there Bob, I'm sure you'll snap out of your slump next month...Well that's it for now...Until next month, Slante'. Frank
