GENERAL
MANAGER

As we motor through the summer months, the goal of both clubs is to grow and improve every day. Much of the improvement we focus on stays behind the scenes. Staff training like safe serve certification classes or USGA handicapping seminars. We also continue to learn new efficiencies in expenses. Even our new employee onboarding program is much improved too. New staff are better prepared to start than in years' past.

Both kitchens now have new reach-in refrigerators and Sugarmill Woods Bar has a new beer cooler. Ceiling fans have been installed in the lounge at Citrus National. The broken fence at Oak Village pool has been repaired. The goal is to get better every day.

Getting better everyday is our goal on each golf course too. Mike Blisch and his Sugarmill crew have now treated greens surrounds and fairway for weeds. The greens are on programs and appear to be getting smoother and filling in nicely. Citrus has suffered a terrible transition from the winter overseed. Expect an announcement about our new Citrus Superintendent about the time this newsletter hits the stand.

Thank you to all of our loyal Members for sticking with the club through the tough times. HOGS, MGA, LGA, Hustlers, Moaners, Borrás Gang and more are the backbone of the club and incredibly appreciated.

Summer is also when we start planning the 2024-25 season. Filling the calendar with events, gatherings and parties. What was good in 2024 and what needs improvement? Is there an event that you would like to see at the Clubs? A great member guest golf event is overdue. We also need to bring back The Magnolia Ladies Invite and Spring Member Member. Robin is handling trivia nights, the newlywed game, dance parties and holiday functions. It's time to start building momentum this fall that will carry us in to 2025.

With course conditions improving, rounds are increasing. The aggressive maintenance practices of early June are starting to pay off. The plan remains steadfast. Aerify, verticut, fertilize, treat with herbicide, REPEAT. These practices will continue with weeklong closings at each course this month. Sugarmill Woods golf and restaurant will be closed July 8 through the 13th. Dining and all golf play will be at Citrus that week. Citrus National will be closed July 22nd through Saturday the 27th. Let's play Sugarmill that week.

Are you ready for a fun new format? The 4th of July Scramble will feature a Severe/Sublime game with Nassau payouts. Random holes will be set up very short and very easy. These are the sublime holes. The rest of the holes will be Severe and now a bogie or double bogie could actually be a good score. Nassau payouts refer to winners awarded to best scores on the front, best scores on the back and best overall scores will win prizes. Players are welcome to make their own teams and we start at 8:30 on Thursday the 4th.

Citrus National hosts our next Junior Golf Camp starting July 15th through the 19th. Do you have friends with kids? Make a referral and they receive a member discount. Let's get these area kids playing golf, the game of a lifetime.

Golf Tip of the Month

We love to discuss and debate all the positions in a great golf swing. Can we spend some time discussing the sequencing of moves? What happens first, second, then what and how does the transition from backswing to follow through happen?

Let's try this mindset. Think of your swing as a race. The race is between your belt buckle and the head of your club to face the target. If the clubhead wins the race, you're in trouble. If your belt buckle wins the race, good shots are sure to follow. Start with slow practice swings and see if you can, in a smooth rhythmic motion, see the hips turn and face the target slightly before the clubhead faces the target. This is the ideal sequence. The race can be fast or slow just make sure

the belt buckle wins. For a demonstration, stop by Citrus Golf Shop and see Scott or John Ward and expect immediate results.

SUGARMILL WOODS GOLF COURSE SUPERINTENDENT

Green Side Up!

It's happening! Where are all those weeds that we experienced last year and even this spring? If you see weeds in the rough, they are next. Tees, fairway center lines, green surrounds and greens are going weed free slowly but surely. We have been using a variety of herbicides to knock back that bull paspalum, goosegrass and dallas grass.

Greens on both courses are on regular programs and weekly spray programs are scheduled at Citrus National.

Big thanks to Robert Condo and Henry Ford for running the crew at Citrus while we search for a full time Superintendent. By the time this newsletter is printed, expect a new Superintendent who has expertise as a

spray technician and hydraulic irrigation expert. Both skills are critical to Citrus recovering from a very tough spring transition.

This month is our second aerification of greens for both courses as we close for a whole week at each course. Sugarmill Woods July 8 through 13 and Citrus National July 22 through 27.

FOOD & BEVERAGE
MANAGER

Dear Members,

July is off to a fantastic start at Citrus National Golf Club, and as we dive into the heart of summer, I want to extend my heartfelt thanks to all our loyal members. Your unwavering support and enthusiasm are what make our community so special.

We've recently revamped our cocktail menu, and I'm thrilled to see how much our Friday Happy Hour crew has enjoyed the new selections. Your smiles and laughter continue to highlight our weeks, making these gatherings a core part of our club's vibrant life.

In response to your suggestions, we are excited to announce that we will be hosting a Trivia Night on July 12th. Cocktail hour will kick off at 5 PM, followed by the

game at 6 PM. This event is free to participate in and is perfectly structured for teams of four. Here's the format: I'll read out 10 questions over three rounds. Teams will jot down their answers, and at the end of each round, papers will be swapped with another team for grading. The winners of the Trivia Night will each receive a free drink—so there are four drinks up for grabs! Come join us, test your knowledge, and enjoy some spirited competition!

For our members who frequent Sugarmill Woods Country Club, please note that this club will be closed the week of July 8. We invite you to join us at Citrus National for lunch or any of our events during this time—we welcome you with open arms!

Please remember that Citrus National is the perfect venue for your personal events. Whether you're planning a holiday party, birthday, or anniversary, we would love to host your special occasions. Feel free to reach out to discuss how we can make your event memorable.

Thank you again for your continued support. Your participation and feedback help us keep Citrus National a lively and welcoming place for everyone. Let's make this summer one to remember!

Kind Regards,
Nicholle Kanaris

OAK VILLAGE SPORTS COMPLEX NEWS

Exciting Things are Happening at Oak Village Sports Complex...

Beautification Projects

Our staff continues to spruce up the grounds at Oak Village Sports Complex (OVSC). Trees are being trimmed. The pickleball and tennis courts are being addressed so grass and weeds are removed. In addition the fence border is being trenched to help rain water sheet off the courts more efficiently. We have more projects in the works. Our goal is to keep OVSC looking good!

A big THANK YOU goes out to the Sugarmill Woods Tennis Association for donating 4 clay court roller brush units. That will help us continue to keep our tennis lines brushed, flossed and sparkly.

Oak Village Pool

Please carry your membership cards and have them handy to show our staff when they run a periodic membership check. Any individual that cannot provide proof of membership will be asked to leave. Also please refer to the Guest policy so you can register your guest(s) properly.

The pool will be closed on Thursdays from 8AM to 11:30AM for weekly maintenance.

OVSC Racquet Sports News

There is much happening with 4 Har-Tru Tennis courts, 2 Hard Tennis courts, 8 Pickleball Courts, 2 Backwalls lined for both Tennis and Pickleball.

The lesson is \$15.00 per visit. Our Certified Pickleball Professional, Judy, will provide excellent and simple instructions to get you playing in no time. You can contact her at 352-232-0321 for more information.

Women's Tennis

Women's League play is over for the season so it's practice time on Tuesdays and Thursdays from approximately 8:30AM to 10:30AM.

Men's Tennis

The men enjoy social tennis three mornings a week, Monday, Wednesday, and Saturday, from 8AM to 10AM. This is open to all players. No need to call ahead. Just show up and get some exercise!

MGA MEN'S GOLF ASSOCIATION

COMMUNICATIONS & PUBLICITY
SUGARMILL WOODS
MEN'S GOLF ASSOCIATION

Well, it's that time of year - SUMMER. Just two words - "IT'S HOT". When you see the weather report, watch the 'dew point' - when it's 70 or higher with high humidity, it's oppressive. You may hear it's 94 degrees but feels like 104 - WOW.

The MGA Executive Board and Committee Chairmen wish everyone a "Happy and Safe 4th of July".

Reminder

When playing golf or other outdoor activities in exceptionally hot weather - especially June thru August, you need to keep hydrated (drink plenty of fluids - beer at 19th hole).

Also, make sure you use 'sun block' and protect yourself against harmful sunrays. Everyone have a great and safe summer.

MGA Special Events

The next few months are a slow time for MGA special events. Watch your e-mails and newsletter for 'Mark Your Calendars' which will be sent in August announcing MGA Special Events for the rest of the year.

MGA GAMES for the Month of July

- 4th No Golf
- 11th Best 2 of 4 + Bonus - Mixed
- 18th Best 1 of 3 - Mixed - 3 somes
- 25th Team Point Quota - Mixed - 3 somes

Golf Humor for the Month:

Golfer: "Please stop checking your watch all the time. It's a distraction"

MGA MEN'S GOLF ASSOCIATION

Frank Nolan

PRESIDENT, CITRUS NATIONAL MEN'S GOLF ASSOCIATION

Hello Again Everyone!

As of this writing, the golf course is closed for the week of June 10-15 for maintenance (not that it needs it). Looks like management is getting serious with the irrigation system.

Well the heat and humidity have returned, yet the CNMGA faithful continue to show up every Wednesday. Hang in there boys, the weather and the conditions can only get better.

The following guys had a good month (May)...Mark Campbell, Tom Veneble, Tony Valente, Soc Hiotakis, Skip Sova, Rich Fodor, Ben Lee, Greg Hartwick, Bill Nusbickle and Kyle Muzina. Speaking of Kyle, it's amazing how he and Bob Lawson take turns every week winning Closest to the Pin. At first it looked like luck or coincidence but by now they have proved that it really is skill. Keep it up boys, the year is only half over.

OK, that's it for now.

Until next time...

Slante'. Frank
