GENERAL
MANAGER

Welcome Back!

October is Welcome Back Month at the Clubs, and we couldn't be happier to see so many of our seasonal members and friends returning. Cooler temperatures are on the way, our fall calendar is filling up, and one of the busiest times of the year is about to begin.

One of the things that makes our Clubs special is the tremendous variety of ways to get involved. Golf associations, tennis, pickleball, cornhole, bunco, Game Night, Sunday Brunch, specialty dining events and more—there really is something for everyone. As we begin the 2026–27 season, I encourage you to take advantage of everything your membership has to offer. Try something new, reconnect with friends and spend some time at your Club.

If you are returning after being away for the summer, please stop by and see Robin at the Sugarmill Woods clubhouse. She is updating our membership records and photos and can make sure we have your current information. And remember, the best ways to stay informed are through this newsletter, our Monday eBlast, flyers throughout the Clubs and, of course, our staff.

So, what's new?

In Food & Beverage, Chef Ray continues to introduce new dishes and seasonal favorites, including the return of our house-made chili. Specialty nights, featured entrées and Sunday Brunch continue to give members something different to enjoy throughout the month.

On the golf courses, we continue to make progress. Citrus National has found a nice groove, allowing the agronomy team to move beyond the greens and tees and devote more attention to rough mowing, fairway definition and bunker work. At Sugarmill Woods, the team have spent the summer laying important groundwork through weed eradication, irrigation repairs, tree work, equipment additions and team development.

We continue to invest throughout the properties as well. Recent improvements include fitness equipment

repairs, landscaping at the Sugarmill Woods clubhouse, clay court work at Oak Village Sports Complex and additional equipment for our agronomy operation.

Next month, we will announce our 2027 membership rates. Our membership options will remain in place, with modest dues adjustments reflecting increased

GREEN SIDE UP

A Note From the Agronomy Team

Building the Team, Building the Courses

Our goal remains simple: Good to Great.

As we move into October, our agronomy team remains focused on course conditions, seasonal maintenance and the continued care of our golf course. We are currently in the process of selecting our next Golf Course Superintendent and look forward to introducing that individual to our members soon.

In the meantime, our team remains committed to keeping our agronomy priorities moving forward and preparing the course for the upcoming season.

We have also added several important members to the agronomy operation. Bob Greene has returned as our spray technician and will operate the pray rigs at both

courses. Mechanics Pete Ellis and Mark Barricklow will be based at Sugarmill Woods, while Roman Sida will focus on keeping our equipment running and reducing downtime at Citrus National.

Having clearly defined responsibilities throughout the department allows us to work more efficiently and, most importantly, gives everyone ownership of our goal of producing country club-quality conditions.

At Sugarmill Woods, overseeding of the greens and tees begins this month. Members may notice more frequent watering during this process. Keeping the newly seeded areas consistently moist is essential to successful germination, so we appreciate your patience while the new turf becomes established.

Progress throughout the summer has been steady at both courses. Regular applications, fertilization and turf maintenance have continued, along with irrigation repairs, tree work and improvements to both range tees. At Citrus National, the work done over the past year has allowed us to shift more attention toward details such as rough mowing, fairway definition and bunker work. At Sugarmill Woods, we know there is still considerable work ahead, but the foundation is being put in place through better equipment, irrigation work, weed control and, most importantly, a stronger team.

We appreciate your patience, encouragement and support. There is no shortcut to improving golf course conditions, but our team understands the goal and is committed to making progress every day.

Better Every Day.

A New Era of Flavor.

At the Turn - Fall Golf Is Here!

Fall golf is here, and that means tournament season is back at Citrus National!

Our Fall Member-Member takes center stage this month, beginning with the Pairings Party on Thursday, October 8, followed by tournament play October 9 and 10. Ben Lee and Doug Martin will help us kick off the new season with one of our most popular member events. Grab a partner and join us!

We are also pleased to welcome Haden Gilham to our golf team. Haden joins the Sugarmill Woods staff as a Golf Professional and brings valuable experience with Gf Genius tournament software. He is already providing Bill Wagner with additional support in the Golf Shop, and we're happy to have him aboard.

Over at Citrus, Eric Radcliffe is leading the golf program and keeping things busy. We'd especially like to bring back Sunday Couples, with a friendly nine-hole game planned for Sundays. Watch for flyers and see Eric for details.

Our junior program is growing, too! Three successful Junior Camps this summer introduced 11 young players to the game, and Eric has now launched our first after-school golf program. Getting kids interested in golf is one of the best things we can do for the future of the game—and we love seeing them on the course.

And speaking of accomplishments, congratulations to Sam Gallucci, Mike Howard and Vicki Ross, who all aced No. 4 at Citrus last month! Are you in the Hole-in-One Club? Each course has its own pot, so make sure you are registered at both Golf Shops before you hit that shot of a lifetime.

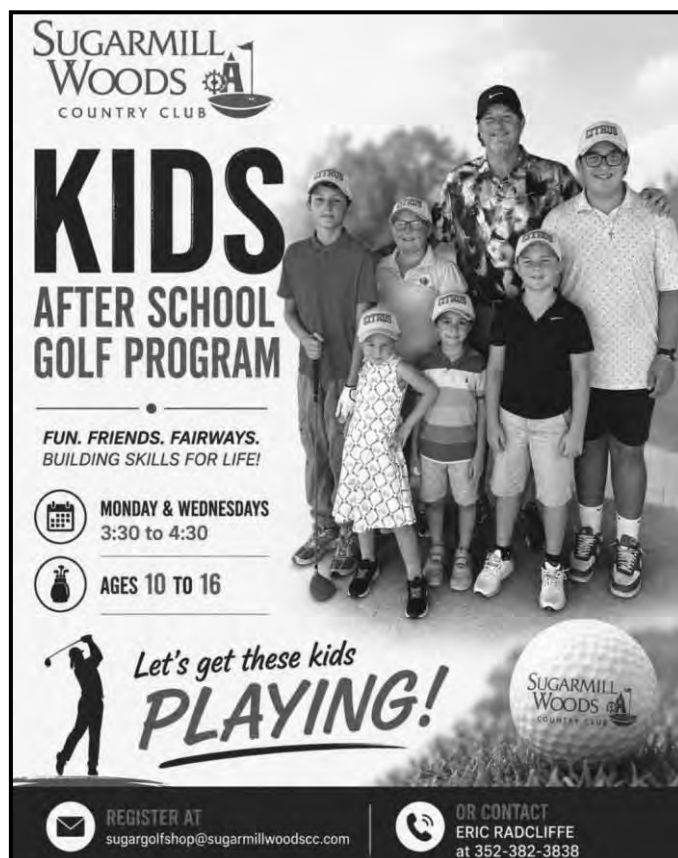

A few reminders as our courses get busier: Please check in at the Golf Shop before play, observe cart signage, repair ball marks and divots, and help us maintain a good pace of play. Be ready when it's your turn—play without delay and keep the game enjoyable for everyone.

Also remember that Golf Shop credits from event winnings expire at year-end. Check your balance now

and use those credits for special orders, golf balls, gloves or something new for your game.

There is a lot of golf ahead this season.

MEMBERSHIP DIRECTOR/ASSISTANT GENERAL MANAGER

Welcome to October and the beginning of one of our favorite times of year at the Club. Hopefully, cooler temperatures are just around the corner as we welcome back seasonal friends and prepare for a busy fall season.

And believe it or not, Thanksgiving is right around the corner! Our Thanksgiving Buffet is always a wonderful Club tradition, so please make your reservations early and let us take care of the cooking—and the cleanup—this year.

October also brings one of our favorite fall celebrations—our Annual Oktoberfest Party! Chef Ray and his culinary team are preparing a terrific lineup of traditional German dishes, and we're excited to welcome back Turner Camp Dave, who will provide the music and keep the celebration lively throughout the evening.

As Membership Director, one of the things I enjoy most is seeing our Club family continue to grow. Whether you are a longtime member, a seasonal member returning for another year or someone who has just joined us, I hope you'll take advantage of everything happening around the Clubs this fall.

If you see one of our new members around the Club, please introduce yourself and help us make them feel at home.

Finally, a heartfelt thank you to all of our members for your continued support. I'm looking forward to a wonderful season and seeing everyone around the Club!

Respectful Dress Code

As a matter of etiquette, we kindly ask that Members and Guests follow the club's posted Dress Code. The term for appropriate dress is Smart Casual. Gone are the days of men in sport coats and women

in business attire. Sugarmill Woods CC has adopted a policy that kindly asks men to remove hats while in clubhouse, no tee shirts, flip flops, worn out denim, swimwear or workout apparel. When referring to tee shirts, there are dress shirts without collars, mock style. This dress code exists to promote a comfortable environment befitting a private club atmosphere.

FROM THE KITCHEN

From Chef Ray - What an Experience!

What a summer it has been in the kitchen!

When we introduced our Chef Experience Series, the goal was to create something different—smaller, more personal dining events that would allow our culinary team to be creative, introduce new flavors and techniques, and give members an experience beyond a traditional night out for dinner.

We began in June with Scallops Meunière, New York Strip with Chimichurri and Bananas Foster. July brought Beef Tartare, Blackened Redfish with Blue Crab and Crème Brûlée. In August, we featured Burrata & Heirloom Tomatoes, New Zealand Lamb Chops and Strawberry Shortcake.

Then, on September 26, we took the concept one step further with our first Chef's Table—an intimate seven-course dinner paired with wines.

Chef's Table gave our team the opportunity to really stretch creatively. With seven courses, thoughtful wine pairings and a much smaller group of guests, we were able to focus on the details, presentation and progression of the entire meal. It was exactly the type of culinary experience I hoped we could begin bringing to the Club.

Thank you to everyone who participated in our Chef Experiences this summer and to those who joined us for Chef's Table. Your support gives us the opportunity to keep trying new things.

And we're not slowing down just because summer is over!

October brings plenty of reasons to join us, including Italian Night, Oktoberfest and Asian Night, along with our regular dining favorites and fall additions to the menu. As the weather begins to cool, you'll also see heartier seasonal dishes returning—including our house-made chili.

One of the things I enjoy most about being your Chef is having the freedom to keep creating. Some dishes will become favorites and stay with us. Others may appear for a short time before we move on to something completely new. That's part of the fun.

Keep telling me what you enjoy, keep trying something different—and keep watching to see what comes out of the kitchen next.

Thank you for a terrific summer. I'm excited about what we have planned for the season ahead.

Dinner Reservations

When dining at the Club, for the best service, please RSVP and provide the number in your party.

The number of reservations goes a long way in helping the staff prepare for that evening's experience. By knowing how many diners we can expect, we know how much food to prep and how many servers to have on duty. Walk-in Members will not be turned away. With the courtesy of a phone call, Members can be assured of the best service at your Club. Thank you in advance.

FOOD AND BEVERAGE

Fall Is Here, and We're Just Getting Started

October marks the beginning of our busy season, and we couldn't be more excited about everything happening in Food & Beverage.

Over the past several months, our focus has been on giving members more reasons to come to the Club—not just for dinner, but to gather with friends, try something different and have a little fun along the way.

Our specialty dining nights have become an important part of that. Italian, Asian, Fiesta and other themed evenings give Chef Ray and his team an opportunity to change things up while giving members something new to look forward to throughout the month.

October is no exception.

We have a full calendar ahead, including Italian Night, Oktoberfest and Asian Night, plus Sunday Brunch, Happy Hour and all of the regular opportunities to enjoy your Club.

We also continue to add entertainment to the mix. On October 29, Joel n Lynn Stone return after an incredibly fun September evening that had members dancing—and even forming a conga line! Reservations are required for their October appearance, so please don't wait until the last minute.

As we head into season, my goal for our Food & Beverage team is simple: good food, friendly service, consistency and a welcoming atmosphere. We want you to look at the Club calendar and find something that makes you say, "That sounds like fun. Let's go."

The best way you can support everything we're building is also the easiest—come join us. Bring friends, try a specialty night, stop in for Happy Hour, have Sunday Brunch or make dinner at the Club part of your week.

And please continue to share your feedback. We are listening.

It's going to be a busy fall, and we're looking forward to spending it with you.

Wendy Deans
Food & Beverage Manager

Celebrate the Holidays at Your Club

The holidays have a way of arriving much faster than we expect—and if you're planning a holiday gathering this year, now is the time to reserve your date!

Sugarmill Woods Country Club and Citrus National Golf Club offer wonderful settings for holiday celebrations of all kinds. Whether you're planning a company Christmas party, neighborhood gathering, club or organization dinner, family celebration or simply an evening with a group of friends, we'd love to host you.

Our Food & Beverage team can help with the details, including menu selections, room setup and service, so that you can spend your time enjoying your guests rather than worrying about the logistics.

And remember—your Club isn't just for Club events.

Throughout the year, we host civic organizations, community groups, businesses, neighborhood associations, charitable organizations, committees and social groups. Many of these gatherings come to us because one of our members thought to say, "Why don't we have it at the Club?"

We hope you'll do the same.

Holiday dates are limited, and the most desirable dates will begin filling quickly as we move further into the season. If your business, organization, neighborhood or family is planning a celebration, please reach out to our Food & Beverage team soon.

From an intimate dinner to a festive holiday party, we'd love the opportunity to make your gathering special. This holiday season, celebrate close to home—at your Club.

OAK VILLAGE SPORTS COMPLEX NEWS

LOTS of Exciting Events Happening at Oak Village Sports Complex...

Improvement Projects

A big thanks to Chris, Deb, Renee and Jean for installing the new tennis net, donated by Chris, on clay court 3.

OCTOBER 24th is a Date to SAVE

A **Tennis and Pickleball Compass Social Doubles OPEN Tournament** is on the calendar for October 23, 24 and 25. Oak Village Acorn Committee (OVAC) will be organizing the event and all proceeds will remain with Oak Village Improvement Funds. Invite your friends (guests-non-members may participate). Friday and Sunday dates are reserved in case of excess match play or inclement weather. Please be available for these dates.

Any combination of doubles teams may enter. So women's teams, men's teams, mixed doubles teams, and ALL ability levels will compete in the same draw. Compass draw means there is no elimination and you will seek your own level of competition as the tournament progresses. The entry fee is \$20 for members and \$35.00 for non-members. Cash will be collected pre-tournament and at the tournament day site.

Contact Judy J at 352-232-0321 to enter. **The absolute deadline will be Tuesday, October 20.** Watch your bulletin boards for more information.

We have used previous Tournament Funds collected for the following:

Pickleball:

New pickleball windscreens, in-between court barriers, 9 nets, 2 roll dri replacements, 6 chairs, ball baskets, ty-raps, bungee cords.

Tennis:

Tennis furniture (10 chairs, 1 table), windscreens, ty-raps, replacement rollers, hydro floats, landscape material, weed killer, line roller innards.

This November...SIGN UP for Tennis and Pickleball Men's and Ladies CLUB Singles and Doubles Championship

We will use a FLEX schedule for this tournament. We will start the week of October 31 with the Finals scheduled on or around November 15. Members Only.

This tournament offers Competitive Doubles Division and Beginner/For the Fun of it Division.

The entry fee is \$10.00 per event. Contact Judy J at 352-232-0321 to enter. **The absolute deadline will be Tuesday, October 27.**

Check bulletin boards for more info.

Tennis Guest Fees

Tennis Members must report all non-member guests to Robin Frick. A guest fee will be charged to your account for players that live within a 40 mile radius. Please follow the SMW Oak Village Guest Policy*. Thank you for your co-operation.

TENNIS Players Mark Your Calendars...Plan Ahead !!

The 2026 - 2027 tennis schedule has been set up and we want you to put it on your calendars now so you are free to participate in these club activities.

February 5-6-7 Tennis Mixed or Ladies Doubles Compass OPEN Tournament

The draw is made up of either a Mixed team or Ladies Team (no men's teams) OPEN means you may play with a guest.

March 1 - 21, The Club Mixed Doubles Championships

Using a "Flex" Schedule Members Only

Details for all these events will be posted on the bulletin boards, in the weekly e-blasts and in the upcoming newsletters as time gets closer.

TENNIS CLASSES AND DRILLS

Min Pea Tennis (Ages 5 to 9) will continue to meet every Wednesday, 5PM to 6PM. The fee is \$15 per visit per student.

Yellow Pea Tennis (Ages 9 to High School Intermediate Players) will continue to meet every Monday, 6 to 7:30PM. The fee is \$25 per visit per student.

Weekly Tennis Classes and Drills Super Drill for All Ages

This active and intense workout meets twice a week every week throughout the year. Everyone warms up with the usual forehand, backhand....and then things really start moving with game based drills. Players should be able to keep the ball in play. This drill is recommended for USTA 3.0+ rated players and above. Age is not a factor. We have AARP passes that will be given to our older players.

The drill meets Monday mornings from 9 to 11AM and Wednesday evenings from 6 to 8PM. The fee is \$20 per visit.

Doubles Strategy Clinic....Percentage Tennis

This clinic works on playing doubles with your partner as a team. You will be drawing tips from the likes of the Bryan brothers, Martina Navratilova, Gigi Fernandez, the Woody's and McEnroe, to mention a few. You will be learning the difference between two singles players on the court together versus playing doubles with communication and complementing movement. If you don't like playing the net, you may choose to stay home. This class will teach you to be aggressive and attack the net. You will learn to serve and move in, return and move in. You will learn how to play different game styles and win. We practice with a purpose. The fee for this class is \$20 per visit.

Doubles Clinic meets on Friday mornings 8:30 to 10:30AM.

ORGANIZED PICKLEBALL GUIDELINES

Oak Village Organized League Play or Group Play

Here are your guidelines to organize a team on a league that follows the pickleball and tennis rules set by Oak Village management.

First the league must be presented and approved by OV management so courts can be reserved and work around club events that are scheduled.

Next the league must be advertised in the club newsletter so that all members have the opportunity to participate.

Next all members of the team must be OV members (for home and away matches) that play on the inter-club league that is playing at OV and hosting neighboring reciprocating clubs.

The captain of the OV Team must supply the team's schedule to include the number of courts needed, dates and times of match play. They are also responsible for clean up after the event.

Well Fall is arriving, but someone hasn't told the weather man. Still pretty warm until October anyway.

Summer attendance for our MGA has been great. Looking forward to Snow Birds returning next month. Should have a full list every week.

Citrus National has been looking good. Greens are rolling good.. Little tough in the rough, but I guess you're not supposed to hit it there.

Congratulations to Sam Gallucci for his Hole in one!!!

Hit'em straight!
