GENERAL
MANAGER

Let's do a little recapture of July at your Clubs.

Burger & Pasta Nights started popping up on Tuesdays. Who doesn't like burgers and beer nights from time to time? Let's keep it simple, right? Then another version of the Big Hole Scramble was featured on the 4th of July. Citrus hosted the Severe Sublime themed scramble game as we all adorned our best red, white and blue golf outfits. We took a week off (not actually) at Sugarmill for deep cleaning and golf maintenance. That created additional activity at Citrus with Game Night, Cornhole, Meet & Greet with Matt O'Quinn and a bunch of golf.

Speaking of golf, what do you think about the improved conditions at Citrus? Matt and Andy have a plan and it's being implemented every day. Matt has now gone through his first aerification of greens and with the recent verticutting and fertilizing, Citrus greens have bounced back remarkably well. That was a painful transition from winter overseeding. Strategies will be in place to make sure that never happens again. The team has gained control of the goosegrass too. At this time a year ago, the weeds were out of control and getting worse by the day. The goal is weed free, and we are well on our way to making that happen. Shhh, Sugarmill Woods course is coming around too. Great job to Mike Blisch and his team.

Ask not what your Club can do for you but what you can do for your Club. As most Members know, moving these clubs into a position that they can financially stand on their own is and has been a herculean task. Links Golf's goal from the beginning was to position the clubs into financial sustainability. Like the golf courses, "It's Happening". The Member support continues to drive us in the right direction. Maintaining Membership, attending events, communicating all the positive aspects of being a Member, and inviting friends to join are all great ways to help the club achieve financial sustainability and thrive. Together we can all be successful in creating a wonderful community of friends. Let's play golf, tennis, pickleball, dine, attend parties, and enjoy the benefits of membership at Sugarmill Woods. It truly is Good To Be A Member.

Also:

A popular topic as we move into the hurricane season is who is responsible for removing dead trees. Although the club is always striving to be the best neighbors, the number of trees at our courses is overwhelming to our staff. Residents and Members are free to remove or clean up debris anytime their property may be in harm's way. We are doing what we can and appreciate your willingness to do the same. Thank you all in advance for the help.

We hear from time to time that some Members are not receiving their Monday email blasts. These emails are great for increased communication. If you are not receiving this email each Monday morning, please contact Robin Frick at robin@sugarmillwoodsc.com.

GOLF SHOP

Citrus hosted our second kids camp last month. Growing the game through Junior golf is a great strategy while we teach kids the game of a lifetime. Also, welcome Lecanto High School golfers. Citrus will be hosting several of their practices this month. Then to finish the season, Citrus National will be hosting their Annual Conference Tournament. We are honored to be selected to host this season-ending high school competition. The date is Monday October 21st. Start times will begin at approximately 10am following Member play that day.

Sugarmill Woods CC will continue to close on Mondays and at 3pm each day through August. Returning to regular 7 to 5 hours will start after Labor Day and 7 days a week to begin in October.

Calendar update

September 2	Labor Day Team Golf
October 10,11,12	Citrus Classic Member Guest
October 26	MAD Golf at Sugarmill Woods
November 8,9	Fall Member Member at Citrus

Reminders:

- Members receive 20% off all regularly priced merchandise in both golf shops
- Open Tee times may be reserved up to 30 days in advance.
- Group play will remain consistent i.e. Sandblasters, Friday Heros, Cocktail Cuties, Hustlers, etc.
- Pairing up in carts is mandatory. Please only two carts per foursome and one cart per twosome except for private carts.
- Golfers with physical handicaps may approach the green from behind but please never within 20 feet of front or sides of greens. Also, avoiding the middle of fairways is always appreciated. Staying in the rough and turning into the fairways at 90-degree angles helps keep the fairways healthy.
- And most of all, Play Fast - Have Fun

Golf Tip of the Month

As you are often advised when seeking any type of instruction, keeping it simple is the best advice. We love to complicate the game of golf and we often get in our own way. This month's tip is meant to get you

out of the sand bunker and onto the green. Just do two things: Hit the sand approximately one inch behind the ball and follow through. That's it. Do this fearlessly and with a little practice, most people will become good bunker players. Simple enough? After a little practice, see John Ward or Scott in the Golf Shop to get this shot fine-tuned. Then Practice.

Green Side Up!

Like we keep hearing from Scott, "It's Happening". In my ten-year history here, these are the best conditions I've seen so far. All aspects are improving by the week. Greens are healthy, fairways are filling in. Weeds are under control. Even #14 and #18 tee boxes have been repaired. And we still have two months left of peak growing season this year. Expect a couple of nine hole closures in August and September for maintenance. We plan to let everyone know those dates as soon as possible. The work never stops but it does look like the summer of 2024 is when we turned this place around. Thank you to my team for their dedicated work, mother nature for her rain and our Members for their patience.

OAK VILLAGE SPORTS COMPLEX NEWS

Exciting Things are Happening at Oak Village Sports Complex...

Fried Pickles and Cooked Tennis Players

The summer heat is upon us. Intrepid members are still coming to the courts and participating in the sports that they love. We have another 11 to 12 weeks of heat to weather before we get that nice cool breath of air.

This is how some see our Florida climate:

March: Spring, April: Summer, May: Summer, June: Summer, July: Still Summer, **August: Wishing it was Winter**, September: Summer AGAIN, October: Fall...NOPE...Still Summer, November- January: Fall, February: One Week of Winter.

I think it is fairly accurate. What do you think?

ACORN

What is an ACORN? It is someone that is on the Oak Village Advisory Committee. They advise management of issues and maintenance items. They want the very best for our total Oak Village Sports Complex membership. They donate time writing articles, orchestrating volunteer organization, sometimes doing maintenance themselves and always keeping an eye of the facility. Who is on the committee? Cory Jensen, Jean Hollowell, Steve Klabough and Judy J. These members have their ears open to the pulse of the membership and recommend to management areas of improvement or concern. You should thank them for much of the beautification projects that have taken place over the past year. It takes a "Village" ...and we have some of the best, loyal members at the Oak Village Sports Complex.

Guest FEE Confusion????

Guest fees apply to Pickleball, Tennis, Swimming Pool, Fitness area and all aspects of Oak Village Sports Complex. And it is very simple.

If your guest lives within a 40 mile radius of Oak Village, they are limited to 6 visits a year and must pay a \$15.00 guest fee each time they visit. Simply contact Robin Frick and register your guest. She will then charge the guest fee to your account.

If your guest is "visiting" from a distant location, there is no guest fee required. Visiting means exactly that... Not staying or living with you.

All Non-members that are not registered are being asked to leave the property and to consider purchasing a membership for future club use.

The guest fee is there to protect your investment. Please abide by the Guest Fee Rules.

Let's Play Pickleball

By now you've certainly heard of Pickleball. Pickleball is the fastest growing sport in the U.S. for the third year running with 36.5+ million players and is gaining popularity across the world. It is so popular because it is an incredibly accessible sport that is easy to play and is popular across all age groups. Pickleball is an easy sport to get into because players are generally open to beginners, it doesn't take a large investment to get going, and it is a fun and social sport.

So, how do I get started in Pickleball? It's good if you can find a partner to begin your journey into Pickleball, but not absolutely necessary. Once you get out to the courts, you will quickly meet other players and beginners like yourself. So to get started, we'll have to get the basic equipment, take some lessons, and then just start playing. Members of the Oak Village Sports Complex (OVSC) have 8 beautiful Pickleball Courts, a certified instructor that provides group or individual lessons, and 3 groups that you can play with to learn the game and advance your skills.

What equipment do I need to begin my journey into Pickleball? You'll need to acquire shoes, a paddle, and a few pickleballs to get going. While each of these items can be expensive, you really don't need the top-of-the-line equipment to get going. As you gain experience, you'll be able to upgrade your equipment as you like.

Start with a good pair of outdoor court shoes. There are a lot of choices for pickleball specific shoes and

OAK VILLAGE SPORTS COMPLEX NEWS *continued*

while you could shop online, you really should try them on to experience the fit and support they provide. Also, while Pickleball shoes are specifically designed for the quick and nearly constant lateral motions, you can begin your journey with any court shoe designed for tennis or basketball. Leave your walking shoes, running shoes, and cross trainers off the court, however. They are designed to support forward motion, not side-to-side with quick starts and stops.

Next, you'll need a paddle. As you might imagine, there are many paddles available in all price ranges and features. As a beginner, you will not need to buy top-of-the-line paddles, but stay away from the Amazon cheapies as well. As your game develops, you'll learn more about what your paddle is good at and not-so-good at. You can find very good, well priced paddles online at Friday Pickleball, Carbon Pickle, and Luzz Pickleball, or talk to our certified coach, Judy Jeanette, when you take your lessons. She can usually get you a good deal.

Now, all we need is a pickleball. There are several brands and types of pickleballs to choose from but stay away from the cheap off-brands. They won't play well and you'll be replacing them early and often. At OVSC, the Franklin X-40 ball is very popular and works well. You can buy them in 3-packs, 12-packs, 36-packs, and 100-packs.

Ok, so now that we have our new equipment, let's head out to the courts and take a few lessons. We have a very good instructor that provides individual and/or group lessons. The group lessons are on Friday mornings at 10:30AM. They are fun, informative and will allow you to meet other players. Show up at the courts on Friday at 10:30AM or call Judy Jeanette at 352-232-0321.

Once you have a lesson or two behind you, you can show up and play with one or more of the Pickleball groups. We have 3 established groups of pickleball players at OVSC that you can join, depending on your level and time preferences. And although each group meets three times a week, you can pick and choose when you want to attend. Two of the groups are open to beginners and one is for more advanced play.

The groups are:

Pickleball Day Dinkers Late Mornings

The Day Dinkers are a group that caters to beginners. They try to work on specific skills during games and keep you from feeling overwhelmed. The Day Dinkers meet on Fridays at 11:30AM, immediately after Judy's

lesson and again on Wednesday and Sunday at 10:00AM.

Call or text Steve Klabough at 352-679-5798 for more information.

Pickleball FAMILY FUN Mornings

This is a low keyed "play for fun group", welcomes newbies and non-bangers to join their FAMILY. The FAMILY is made up of members that feel like...well...."FAMILY".

The Family Fun group meets every Monday, Wednesday and Friday early mornings from 7:00- 9:00AM.

Contact Darlene Jaratz at 813-943-7376 if you would like more information about FAMILY FUN Pickleball.

Pickleball Social Mornings

A social, competitive group that meets every Tuesday, Thursday and Saturday starting at 8:30AM. Usually the group play ends on Tuesdays and Thursdays around 11:00AM. Some of the groups play until noon on Saturdays.

Grab your paddle and show up at the pickleball courts to join the group. They will welcome you into the mix.

We are lucky to have such great Pickleball resources available to us as members of the OVSC. So, get out and play the fastest growing sport in the country. See you on the courts!

Tennis and Pickleball Lessons

Private: \$40.00 per half hour \$70.00 per hour*

Semi-Private: \$50.00 per half hour (\$25.00 per player) \$80.00 per hour* (\$40.00 per player)

Private Small Group: 3 players \$35.00 per player/hour
4+ players \$25.00 per player/hour

All lessons may be taken in any half hour increments..1/2 hour..1 hour..1.5 hours..2 hours..2.5 hours etc.

Call or text Judy at 352-232-0321 for more information.

Cancellations:

There is a 24 hour courtesy call needed to cancel your scheduled lesson. If you forget to call, you will be expected to pay for your entire time.

Congratulations!!

MGA MEN'S GOLF ASSOCIATION

Frank Nolan

PRESIDENT, CITRUS NATIONAL MEN'S GOLF ASSOCIATION

Hello Again Everyone!

Well we're in the thick of it now. As of this writing (9/9) temps are steadily increasing. Low to mid 90's with high humidity. For the Diehards that continue to show up, please be careful and don't over do it. Follow the lead of one of our senior men, Soc Hiatokis, who loves the game and wants to play every week. He checks the forecast and if it's going to be nasty? He plays 9...Smart move. He doesn't wait until the heat gets to him.

Bob and Kyle are still doing it with CTPP. Just wait 'till our star, Mr. Butterworth is at full strength. He'll have a say in that. Feel better soon Bill.

With all the rain we're having and new no-nonsense Superintendent Matt O'Quinn, things are starting to look up for Citrus National. Besides, how can we go wrong?. He's almost as Irish as I am...Good luck to you Matt from the entire CNMGA.

Games in August include: Best Ball. 2 Man Best Ball and of course the MGA Series on the 12th...Well that's it for now.

Until next time..Slante'..Frank
