MANAGER

Merry Christmas!

Let's enjoy the Holidays together. This is what a club is all about. Decorations, parties, family and friends are the backbone of Country Clubs. The Thanksgiving Day Feast may have been Sugarmill's best ever. Chef Remco, Joyce and their team served over 250 with a packed house through 3pm. Great job to all the staff and thank you to all who joined us for this special day.

December brings us the December 13th Member's Holiday Party, Association luncheons, Happy Hour gatherings and our annual New Year's Eve Party. By the way, our NYE party runs through midnight so get those dancing shoes ready. What is your New Year's resolution?

Links Golf Basics of Service #14

Success: We will strive to continually improve our products and ourselves. We not only hold onto yesterday's successes, but we also continue to press on to higher goals.

As we move into 2025, let's reflect upon the state of the clubs compared to the 2023-24 season. As course conditions remain top priority, we have come a long way. The Sugarmill Woods course is ready for the season and much improved in so many ways. The front nine greens highlight the progress as some golfers have called them perfect. Incredible progress in weed control can be witnessed throughout the course. Practice areas, range tee, chipping and putting greens are ready for the season. Back nine greens are showing progress by the week. Bunker maintenance, tree trimming, clubhouse common areas all are improving too.

The Citrus National agronomy team has laid the foundation for 2025 success. Mathew O'Quinn, Andy Woods and the team are playing "the long game" preparing for a bright future. The painful process of eliminating weeds and exposing the bare areas, set us up for an "explosion" of spring Bermuda grass. Get those mowers ready guys.

Although I spend much time speaking about the status of the golf courses, the state of the club really lies in the Membership along with the many activities that we all enjoy all year round. **The Members drive the club every day.** Clubs are all about Members playing with Members, family and guests. Hit & Giggle, Men's Day, Fireball Babes, Dapper Duffers, Bunco Ladies, Chef

Experiences, Taco Tuesday, Member Appreciation Days and Game Nights define your Club every day. Enjoy these times at your Club throughout this holiday season.

Here's to a great 2025!

2024 Christmas Holiday Fund

Special thanks to all the Members who contributed to this year's Christmas Holiday Fund. This cash bonus around the holidays is incredibly appreciated. To know that the Members care so much for the staff is heartwarming to management and the crew. John Doyle, Janice Doyle and Marie Steidel were the driving forces that made this program another success. The gesture reinforces that we are all in this together.

Thank you.

& GOLF SHOP

The Sugarmill Woods Golf Shop December schedule announces the return of Hit & Giggle for the 13th and 27th this month. This “couples” game is nine holes with optional dinner after play. We will be closed on Christmas Day, yet Members may play using their own carts or walking. The Friday Points Game returns after a two-week hiatus. This popular game starts at 12:30 each Friday.

Will you be attending the Members Holiday Dinner Party on the 13th? If so, stop by the golf shop for a little holiday shopping before dinner. Enjoy a glass of wine, compliments of the Club and find that little something special right before Christmas.

The 2025 Bloody Mary Open is moving to Sugarmill Woods. January 1st is the day, Bloody Marys are the drink and 9am is the start. Grab your team today for this first event of the year.

The Sugar Golf Shop team wishes all a very Merry Christmas.

Citrus National: What are you planning for Saturday December 7th? If your schedule is open, grab a team and play in our Drive to Dive Veterans fund raiser. We are playing Citrus National in an 8:30 am shotgun scramble. The event is discounted for Members and raises money to help defray the cost to teach Veterans to scuba dive. Member, Jeff Miller is running the program, and your help is greatly appreciated. Make your own team or sign up and we'll pair you with a team.

The Thursday Citrus LGA is moving to 9am shotguns for the next couple of months. Thank you, Susan Ervasti, Margot Check and the LGA volunteers for running this game every week.

Tip of the Month: I am frequently asked by golfers "how can I lower my score?" Simply put, emphasis on practicing should be dedicated to the short game. We are all guilty, including myself, to go directly to the range and practice the long game, especially the driver and bypass the practice greens.

The PGA developed an algorithm that provides proven feedback for all golfers independent of their handicap including PGA Tour players that correlates to their scores.

Below is the table from the PGA of America of a golfer's score regardless of handicap:

- 40% Putting
- 30% Distance to the green inside 60 yards
- 30% Distance to the green greater than 60 yards

Simply put, If you want to lower your score by 3-4 shots for nine holes and 6-8 for eighteen holes, practice putting, chipping, and pitching. See you on the practice green. Lessons are available by calling Tim Hume at 813-784-368.

SUGARMILL WOODS GOLF COURSE SUPERINTENDENT

Mathew O'Quinn

CITRUS NATIONAL GOLF COURSE SUPERINTENDENT

Green Side Up!

Your Sugarmill Woods course is ready for the peak season. Mike Blisch and his team have taken this course to another level. Greens are always first priority as we move into the cool weather with healthy enough turf to avoid overseeding greens. Look for the putting surfaces to lose color yet roll and play wonderfully. Not overseeding will be especially appreciated as we will not have to endure the spring transition period. This is the 3-to-6-week process of reestablishing our summer turf. Fairways are now getting the water necessary with a wall-to-wall fertilizer program scheduled for early spring. Mike's continual weed program is also paying off with great success. Gone are the masses of goosegrass that overtook our fairways in 2023. Great job Mike, on to 2025.

Mat O'Quinn and Andy Woods have laid the groundwork for success at Citrus National. It's been

painful knocking out the weeds and exposing the bare areas on the fairways and the green surrounds but with water finally under control, our efforts to fertilize and water will not promote those nasty weeds of the past. All efforts will pay off with thick healthy turfgrass. "Look for the turf to explode as soon as warm temps return next spring," says O'Quinn. The irrigation is now running on timers starting at midnight. This was a five-month project which will set us up for future success. Have you noticed the edging around the Citrus greens? This new practice at Citrus is designed to stop the fairway grass from encroaching into the greens grass. The plan is to enlarge the Citrus greens back to original shapes and sizes next spring. Going forward, this edging will help maintain the greens perimeters.

OAK VILLAGE SPORTS COMPLEX NEWS

LOTS of Exciting Things are Happening at Oak Village Sports Complex...

October Compass Tournament Success!!

The Oak Village Acorn Committee (OVAC) spearheaded this event with the goal of raising money that would be used directly to replace equipment needed at Oak Village. Judy, your Tennis and Pickleball professional, donated her time and efforts to organize and run the day's activities. There were a total of 34 Pickleball and Tennis players that participated in the October event. The result: Pickleball...\$350.

Tennis...\$450. So far, 3 new pickleball nets, a tennis tidy court basket and 3 sets of replacement brush "innards" have been purchased. The OVAC committee will use the remaining money as needed for each entity.

The compass tournament format is actually a Double Elimination Negative Consolation format. No team is ever eliminated and everyone wins. Each match played gets progressively better matched making for fair and even competitive matches. In the end, several 3rd set tiebreakers were played.

The ultimate winner of the Pickleball EAST division, losing no rounds was Zachary Thomas and his guest, Troy, defeating Kathy Davis and Beth Perez. The boys played smart and strong. The ladies were a formidable team.

The ultimate winner of the Tennis EAST division, losing no matches was Chris Heck and Tony Rossi defeating Cory Jensen and Marian Wood. The match was exciting and fun to watch.

Thank you to all participants and to those non-participants that graciously donated to the tournament. Thank you for the OVAC committee's foresight to help raise money for club repairs.

The next Compass tournament will be Saturday, February 8. Our goal is to have a complete draw of 16 teams in both pickleball and tennis events. Watch for the details as they are announced.

Frank Nolan

PRESIDENT, CITRUS NATIONAL MEN'S GOLF ASSOCIATION

Hello Again Everyone!

The Snowbirds are back so we are starting to see a larger turnout each week. With the irrigation system now at 100% and work continuing on the course, let's hope the number of players continues to grow. Speaking of, please welcome new member Bob Mapes.

It was a good month for Mike Cristofono (1st pl. this month in the Series), Frank Mlinik, Al Smith and Ken Moody. They all amassed a boatload of chits. Speaking of Mr Moody, he seems to have become a threat to Kyle and Bob Lawson in the closest to the pin competition. Ken won the coveted prize 3 times in Oct.

We are currently working on the "combined" Christmas Party (CNMGA, SWMGA and the HOGS). The date is 12/21 at Sugarmill so if you have not already done so, please contact Angelo DiFranco (adifrancoi@tampabay.rr.com) asap as seats are going fast.

That's it for now, until next time...
